Mustafozoda Sharifbek
Frontend Developer

Date of Birth: January 26, 2002

I am a dedicated frontend developer with a strong foundation in web development technologies and a focus on creating dynamic and user-friendly interfaces. My goal is to continue learning and growing in this field while delivering outstanding user experiences.

Education:

- Master's in Computer Science (Software and Service Architectures specialization), ELTE, Faculty of Informatics, Budapest (Current)

- Bachelor of Science (BSc) in Audit and Revision, Tajik State University of Finance and Economics, Dushanbe (2019-2023)

Key Skills:

- Frontend Developer with expertise in HTML, CSS, JavaScript, React, and TypeScript.
- Committed to delivering exceptional user experiences and dynamic web interfaces.
- Eager to expand knowledge and skills in software development.

Interests:

- Avid traveller with a passion for exploring new cultures and places.
- Multilingual: Fluent in Tajik, Russian, and English.
